## Galloways on show

More than 40 people attended a field day at Karen and Terry Pierce's Peppercorn Stud recently.

The field day, held under the auspices of the Galloway Cattle and Beef Marketing Association, was aimed at expanding awareness and interest in the Belted Galloway breed.

The day included demonstrations on clipping for showing and presentations on nutrition and

from a cattle judge.

The Pierce's and other Galloway breeders were on hand to answer any questions, and talk about their experiences with the breed.

Also on show, Peppercorn Xtra, the Pierce's bull which was named the supreme breed champion at this year's Canberra Show, and a feat they hope will be repeated at the upcoming Melbourne Show.
